Summary

Results-driven engineer specializing in UAV systems and project management. Demonstrated ability to lead design and testing initiatives, ensuring compliance and enhancing operational efficiency through advanced simulation techniques.

Skills

- UAV development
- Composite fabrication
- Leadership collaboration
- Control systems
- Simulation analysis
- Effective communication
- Project management
- Technical training
- Analytical Thinking & Problem Solving
- Computer-Aided Design (Fusion 360, Inventor)
- Teamwork & Collaboration
- Blue Belt - Taekwondo
- Pistol Shooter (10M)
- FPV Drone Pilot
- Public Speaking
- Mentoring
- Swimming
- Violinist
- Pianist

Experience

NIDAR - Team Leader -
Aerovive (01/2025 - Current)

Directing UAV design, fabrication, and testing for disaster response and monitoring. Led brainstorming for control algorithms, onboard data workflows, and mission strategy. Coordinated cross-disciplinary integration, supervised endurance optimization, and oversaw compliance.

ASRL (Aerospace Systems Research Laboratory) -
Design and Fabrication Engineer (07/2024 - 04/2025)

Designed and fabricated triopters and radio-controlled aircraft, conducted simulations of FOS, Von Mises stress analysis, and topology optimization. Held training sessions for juniors.

Technology and Development Club -
President (04/2021 - 03/2023)

Led projects on Visual SLAM mapping, autonomous drone building, and GPS navigation integration.

F1 in Schools –
Car Designer (04/2019 - 04/2021)

Designed aerodynamic Formula 1 replicas for competitions, reaching national finals with drag coefficients as low as 0.15.

Education

B.Tech in Aerospace Engineering - 8.1 CGPA
(Expected 11/2028) - SRMIST KTR, Chennai

Senior Diploma in Violin (Hindustani Classical) (07/2024)
Bhatkhande Music Institute, Prayag Sangeet Samiti, Lucknow

12th PCM (07/2023)
Seth M.R. Jaipuria, Lucknow

Activities & Interests

- Performing Vocals (Beatboxing)
- Philosophy & Psychology
- Adventure Sports
- Improvisation
- Photography
- Expedition
- Cycling
- Poetry
- Chess

Languages

Hindi - First Language

English - Advanced (C1)

Accomplishments

- Seismo Hack - 1st Prize (2025), National Qualified (2025)
- Project Expo NWC - Outstanding Awardee (2025)
- ICAAST - Appreciation Certificate (Cultural Participation, 2024)
- DroneXperience Workshop - Participant (2024)
- Directorate of Hostels - Event Euphoria: 2nd Prize Music (2024)
- Directorate of Student Affairs - Shuru: 2nd Prize Violin (2024)
- Glide Quest - Raptors Club MIT: 2nd Prize (2024)
- Mechanical Workshop: 2nd Prize (Reuse & Remodel Product, 2024)
- UAV Technologies - Volunteer (2025)
- LOS Drone Flying - 3rd Position (2025)
- Walk of Excellence - Physics (2023), Violin (2022)
- F1 in Schools - Regional Champions (2020), Knockout Champions (2020), Best Verbal Presentation (2020), National Finalist
- Taekwondo - Regional Gold Medalist (2018)
