3.	37.5%	Submission of final project/study/research

iii. It is envisaged that the existing equipment and computing resources (hardware, software) in the Parent Organization of the Principal Investigator and Co-Principal Investigator(s) will be used and the proposed budget estimate covers the direct costs only such as manpower cost (supporting staff), data cost, field visit, etc.

iv. The amount allocated under the head travel/field work is to be utilized for the data collection and collection of other information such as documents, visits to libraries, etc., within the general scope and sphere of the ongoing project. This should not be used for attending conferences, seminars, workshops, training courses, etc. The PI may travel by the mode of transport as per his/her entitlement in the Organization/ Institution restricted to the allocation under the concerned head.

v. The Principal Investigator/Institution is required to settle the project account immediately on completion of the project/study. In case the balance grant, if any, is not claimed within six months from the date of completion of the project/study, the same will lapse and no representation will be entertained in this behalf.

Other Terms and Conditions

i. NIDM reserves the right to scrutinize or reject any or all the proposals received in response or suggest modifications to the proposal.

ii. NIDM reserves the right to choose any project/study proposal received, depending upon need, the novelty of intended applications, innovative science, suitability, deliverables, and merits. The decision of NIDM shall be treated as final.

iii. Any/all Intellectual Property Rights (IPR) such as patents, copyrights, design rights, etc., acquired by the grantee institute/organization of the PI, shall be jointly owned by NIDM and any other associated ministries/institutions.

iv. NIDM reserves the right to revoke in part or in whole its support for a project/study at any time without assigning any reason.

v. It shall be declared and ensured by the PI of the selected project/study proposal that any/all analysis conducted as part of this project/study shall not use any pirated/unlicensed copy of the analysis software used.

vi. Scientific results obtained as part of the project/study proposal by PI and Co-Investigators, shall not be allowed to be used for marketing/commercial/business purposes without the prior permission of NIDM. NIDM reserves the right to accord permission on such cases, considering the overall national interests.

vii. Both parties will ensure appropriate protection consistent with the laws, rules, and regulations of India. Any disputes will be subject to the jurisdiction of Delhi only.

viii. The Proposal shall give a declaration that if the proposal is selected for funding by NIDM, PI, and Co-PI shall not submit the same proposal for funding support from other agencies. However, collaboration with other ministries or government institutions is permitted and needs to be mentioned at the time of submission of proposal.
